

Announcing the formation of the Friends of QYMC

In November 2000, several long-standing committee members, together with the outgoing Chairman and Treasurer, elected to form the Friends of QYMC. All of us have had our children taught at Questors. And although many have now moved on, in forming the Friends we have created an opportunity **'to put something back into the community'**, and to use our past experience and contacts to support the Club in the future.

Questors is a thriving club, and takes great pride in its achievements in teaching such a wide range of instruments to such a diverse age group. As Questors is run on a 'not-for-profit' basis, however, much of the work involved in running the club, in particular the events and concerts, is done on a voluntary basis.

It is our hope that many parents will join us and stay with us, to help in any way that we can to ensure that the club continues to thrive and prosper for the benefit of our young musicians.

Role of the Friends

- Individually and collectively, to assist in fund raising to maintain and enhance the resources available to the club and its members;
- To assist with raising sponsorship, bequests and donations of money and instruments
- To assist the committee with special events and concerts.

Who can join?

Membership is open to anyone who would like to contribute to the work of the club in some way.

What will it cost to join?

We ask for an annual contribution of £20. All funds raised by the Friends will be accounted for as a separate item in the Annual Accounts.

We plan to publish a regular newsletter for the Friends, and from time to time to arrange social events with a musical bias as part of our fund-raising work.

If you, or someone you know, would like to participate in any way, please fill in the form attached.

The Friends

Thank you for helping QYMC financially.
